

BACKREST ADJUSTMENT KIT

NODI SOFA

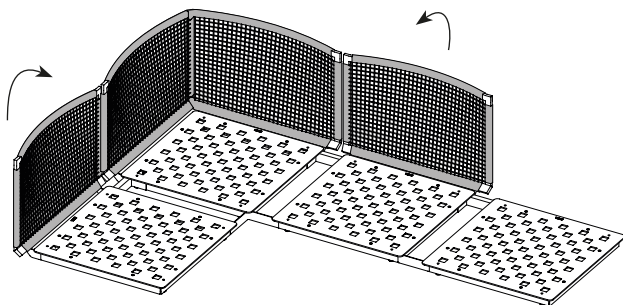

INTENDED USE

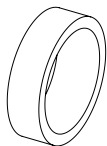

This adjustment kit allows you to adjust 1 single backrest.
It can not be used for corner backrests.

After installing this adjustment kit the backrests will align better with other single backrests and/or corner backrests.

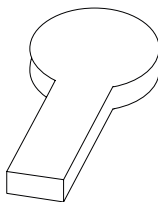

If you have a Nodi sofa set we advise to adjust all single backrests.

COMPONENTS

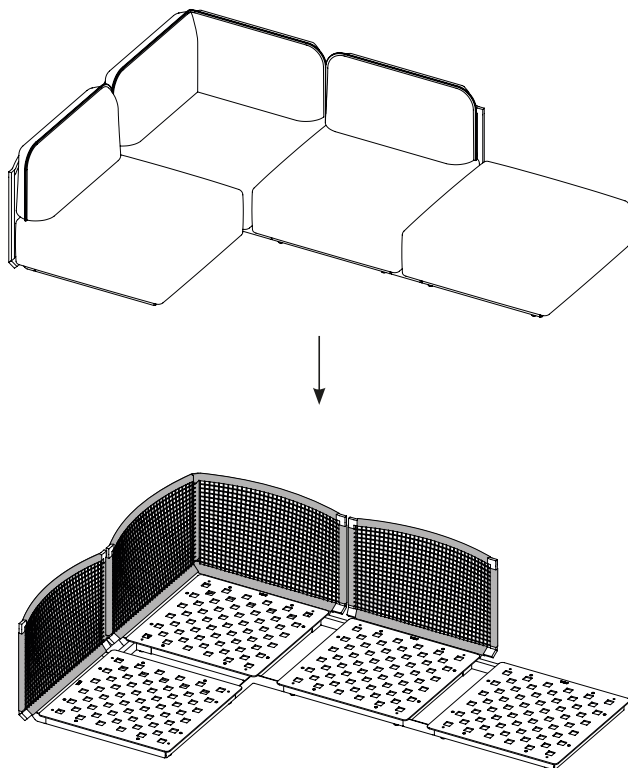

4 x
METAL WASHER

2 x
HEIGHT ADJUSTMENT

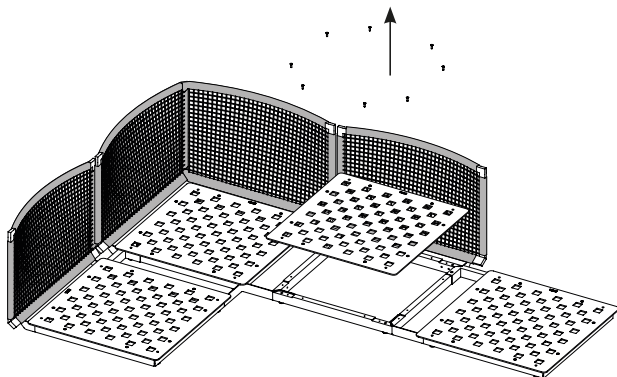

ASSEMBLY INSTRUCTIONS

- 1** Remove the cushions from your sofa.

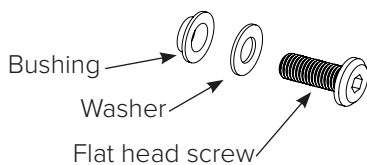

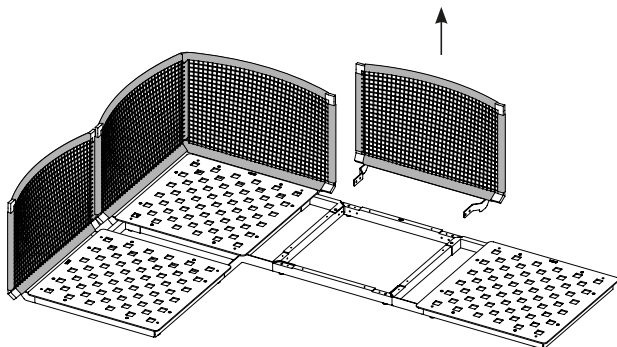

2

Remove the seat plate of the module that you want to adjust by unscrewing all COUNTERSUNK SCREWS.

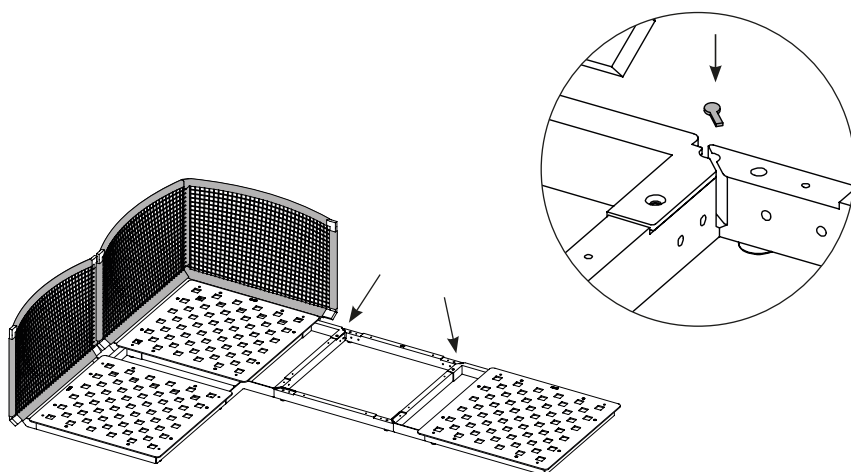

**3**

Unscrew the 4 FLATHEAD SCREWS that secure the backrest to the frame and carefully remove the backrest. Underneath each screw you will find a BUSHING and a WASHER which you won't need anymore.

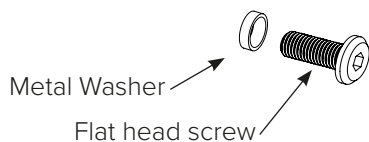

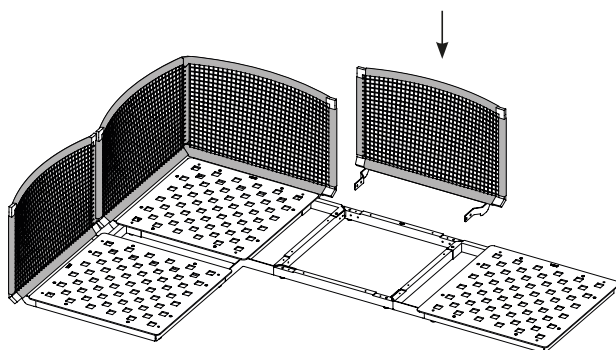

4

Insert the two HEIGHT ADJUSTMENTS, one into each cavity of the backrest.

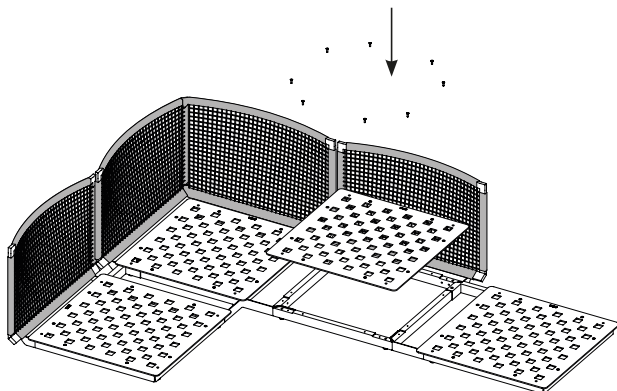

**5**

Reinstall the backrest using 4 x METAL WASHER and 4 x FLAT HEAD SCREW.

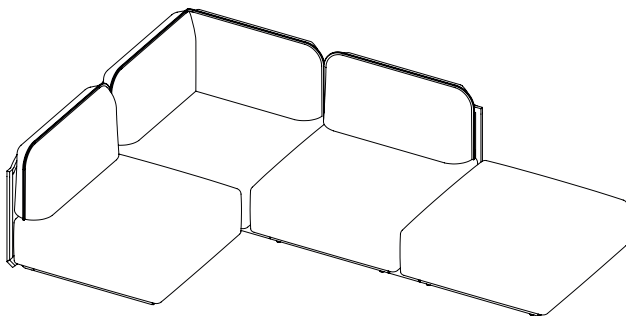

6

Reinstall the seat plate by using 8 - 12 COUNTERSUNK SCREWS.

**7**

Repeat step 2 - 6 if you want to adjust other backrests.

If all backrests are adjusted you can put the cushions back.
